

# We believe in inventory

***Cla-Val maintains an extensive range of products on the shelf and ready to ship***

We are committed to keeping a complete range of products in both standard and special materials and sizes on the shelf, ready to meet your most critical needs.

- Sizes up to 36" in stock
- 1-1/2" through 12" all Stainless Steel valve bodies in stock available for quick ship orders
- Great lead times
- Two on-site foundries pouring more than 50 different alloys
- Three North American manufacturing facilities equipped with the latest machining technologies

**Waterworks • Fire Protection • Aviation/Ground Fueling**

## **It's not hard to get...**

From common to exotic and everything in between, Cla-Val's got it, including but not limited to the following materials:

- Cast Iron
- Ductile Iron
- Aluminum
- Cast steel
- 304L and 316L Stainless Steel
- Super-Duplex Stainless Steel
- Super Austenitic Stainless Steel
- Naval Bronze
- Nickel Aluminum Bronze
- Monel
- Inconel

...and the latest addition to our range of capabilities: **Titanium** that is 50% lighter than stainless steel but just as strong.

***To learn more, visit [www.cla-val.com](http://www.cla-val.com) and type foundries in the search field or contact the Cla-Val Sales Agent nearest you***
